and 366 (i) approving adequate assurance of postpetition payment of the Utility Companies, set forth on Exhibit A attached hereto, through the Debtors' establishment of the Utility Blocked Account, (ii) establishing the Additional Adequate Assurance Procedures for resolving any Additional Adequate Assurance Requests under Bankruptcy Code section 366(c), (iii) scheduling a hearing with respect to any Additional Adequate Assurance Requests that are received on or before the Additional Adequate Assurance Deadline, (iv) authorizing the Debtors to pay pre-petition amounts owed to a certain Third Party Vendor, and (v) authorizing the Debtors to maintain their pre-petition relationships and practices with the Third Party Vendor; and the Court having reviewed the Motion and the Besanko Declaration; and the Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest; and it appearing that proper and adequate notice of the Motion has been given and that no other or further notice is necessary; and upon the record herein; and after due deliberation thereon; and good and sufficient cause

appearing therefor, it is hereby

ORDERED, ADJUDGED, AND DECREED that:

1. The Motion is GRANTED.

2. The following Utility Companies are
excluded from the application of this Order:

- i. Dominion Virginia Power;
- ii. Dominion North Carolina Power;
- iii. Dominion Peoples;
- iv. Dominion Hope;
- v. Duke Energy Carolinas;
- vi. Duke Energy Kentucky;
- vii. Duke Energy Indiana;
- viii. Duke Energy Ohio;
- ix. Consolidated Edison Company of New York, Inc.;
- x. Progress Energy Carolinas;
- xi. Progress Energy Florida;
- xii. Yankee Gas Services Company;
- xiii. Public Service New Hampshire;
- xiv. Connecticut Light & Power Company; and
- xv. Western Massachusetts Electric Company (collectively, the "Excluded Utility Companies");

provided, however, that a hearing under section 366(c)(3) with respect to such Excluded Utility Companies shall be held on December 5, 2008 at 10:00 a.m. (ET).

A. The Utility Blocked Account, The Payment Request, and Proof of Payment Certification.

3. The Debtors shall have reserved as part of their loan agreement with Bank of America, \$5,000,000(or such other amount as may be fixed by the Debtors in accordance with this Order), which shall be administered

in accordance with this Order (the "Utility Blocked Account"), as adequate assurance of payment, under Bankruptcy Code section 366(b), of charges incurred by the Debtors for Utility Services provided by the Utility Companies after the Petition Date, subject to the Debtors' rights to decrease the amount reserved by the Utility Blocked Account in accordance with this Order or to otherwise seek authority from the Court to decrease the amount reserved by the Utility Blocked Account. So long as the Utility Blocked Account is reserved in an amount not less than \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order), the Debtors shall be deemed to have furnished all Utility Companies, including Utility Companies subsequently added to Exhibit A, with adequate assurance of payment under section 366(b) of the Bankruptcy Code. In the event that the Debtors are unable to establish the Utility Blocked Account in the amount of \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order), the Debtors shall provide notice to the United States Trustee.

4. Notwithstanding anything to the contrary herein and without in any way limiting the Debtors' general right to reduce the amount of the Utility Blocked Account in accordance with this Order, the Debtors shall be expressly authorized, but not directed, to reduce the amount of the Utility Blocked Account by the amount corresponding to the two week average ascribed by the Debtors to the services such Excluded Utility Companies provided to the Debtors prior to the Petition Date.

5. In the event the Debtors fail to timely pay for postpetition Utility Services, the Utility Company to which any such payment is owed shall be entitled to submit a Payment Request, in the form attached hereto as Exhibit B (which is hereby approved in its entirety), to the Debtors and Bank of America in the amount of the unpaid charges rounded up to the nearest \$100 owed to such Utility Company for such postpetition Utility Services.

6. Notice of any Payment Request shall be sent to the Debtors: Beverly Milenbachs, Director of Procurement, Circuit City Stores, Inc., 9950 Mayland Drive, Richmond, VA 23222, Fax: (804) 967-8815, with

copies by facsimile and electronic mail to (i) co-counsel for the Debtors: Ian S. Fredericks, Esq., Skadden, Arps, Slate, Meagher & Flom, LLP, Fax: (888) 329-9475, Email: Ian.Fredericks@skadden.com and Sarah Baker, Skadden, Arps, Slate, Meagher & Flom, LLP, Fax: (312) 827 9467, Email: sarah.baker@skadden.com; and Sarah B. Boehm, Esq. McGuireWoods LLP, Fax: (804) 698-2255, Email: sboehm@mcguirewoods.com; and (ii) counsel for Bank of America: David S. Berman, Riemer & Braunstein LLP, Fax: (617) 692-3550, Email: dberman@riemerlaw.com, all as indicated in the form of Payment Request attached hereto. Through the Payment Request, such Utility Company shall be permitted to only seek payment for unpaid postpetition utility charges, and not payment for any additional adequate assurance of payment requests.

7. In the Payment Request, the Utility Company shall (i) certify that the Debtors defaulted in the payment of postpetition Utilities Services and amounts on account of such Utility Services are due, outstanding, and unpaid, (ii) certify that the amount requested is not and does not relate to an additional

adequate assurance request, and (iii) provide Bank of America with wire transfer or other payment instructions.

8. Any payments made from the Utility Blocked Account shall be made by Bank of America in the order that the Payment Requests were actually received by Bank of America.

9. Bank of America shall have no obligation to investigate the bona fides of any request to decrease the Utility Blocked Account. The Debtors assume all risks with respect to the acts and omissions of, or misuse of the Utility Blocked Account by the respective Utility Companies that are the beneficiaries of such Utility Blocked Account. In furtherance and not in limitation of the foregoing, Bank of America shall not be responsible for: (i) the misapplication by any Utility Company of the proceeds of any payment from the amount reserved pursuant to such Utility Blocked Account; or (ii) any consequences arising from Bank of America's actions, other than actions resulting from Bank of America's gross negligence or willful misconduct. The Debtors' only recourse in the event of an improper

Payment Request is against the party making such Payment Request and not against Bank of America.

10. Any payments to the Utility Companies shall be without prejudice to any and all rights, claims and/or defenses of the Debtors with respect to such Payment Request, including but not limited to the Debtors' right to contest such Payment Request in this Court, or any court with jurisdiction. Any payments made from amounts reserved by the Utility Blocked Account shall be made in the order that the Payment Requests were actually received by the Debtors. Following an advance from the Utility Blocked Account, Bank of America shall take steps to ensure that the reserve of \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order) is maintained, provided that the Debtors have sufficient availability under the postpetition credit facility to re-establish such amount. In the event that the Debtors' lack sufficient availability, Bank of America shall have no obligation to maintain such Utility Blocked Account.

B. The Additional Adequate Assurance Procedures.

11. The Additional Adequate Assurance

Procedures are hereby approved as follows:

- (a) Except as provided by the Additional Adequate Assurance Procedures, the Utility Companies are forbidden to discontinue, alter or refuse service on account of any unpaid prepetition charges, or require additional adequate assurance of payment other than the Utility Blocked Account.
- (b) The Debtors will serve the Motion and a copy of this Order on the Utility Companies within two (2) business days after entry of the Order granting the relief requested herein.
- (c) In the event that a Utility Company maintains that the Utility Blocked Account is not satisfactory adequate assurance of payment as contemplated by Bankruptcy Code section 366(c)(2), the Utility Company must serve an Additional Adequate Assurance Request for adequate assurance in addition to or in lieu of its rights with respect to funds held in the Utility Blocked Account so that it is received by the Debtors and their counsel no later than five (5) business days prior to the Determination Hearing at the following addresses: Circuit City Stores, Inc., 9950 Mayland Drive, Richmond, Virginia 23233, Attn: Reggie Hedgebeth; Circuit City Stores, Inc., 9950 Mayland Drive, Richmond, Virginia 23233, Attn: Daniel Ramsey; Skadden, Arps, Slate, Meagher & Flom LLP, One Rodney Square, P.O. Box 636, Wilmington, Delaware 19899-0636, Attn: Ian S. Fredericks, Esq. (ian.fredericks@skadden.com) and Sarah Baker, Esq. (sarah.baker@skadden.com); and Sarah B. Boehm, Esq. McGuireWoods LLP,

Fax: (804) 698-2255, Email:
sboehm@mcguirewoods.com.

- (d) Any Additional Adequate Assurance Request must: (i) be made in writing, (ii) set forth the location for which utility services are provided, (iii) set forth what the Utility Company would accept as satisfactory adequate assurance of payment, and (iv) set forth a fax and electronic mail address to which the Debtors may respond to the Additional Adequate Assurance Request.
- (e) Upon the Debtors' receipt of an Additional Adequate Assurance Request, the Debtors will either (a) advise the Utility Company in writing on or before a day that is no less than three (3) business days prior to the Determination Hearing that the Additional Adequate Assurance Request is acceptable, (b) consensually resolve the Additional Adequate Assurance Request with the Utility Company prior to the hearing, or (c) contest the Utility Company's request pursuant to Bankruptcy Code section 366(c)(3) at a the Determination Hearing to be held on December 5, 2008 at 10:00 a.m.(ET), or such other date as the Debtors and the Utility Company may agree.
- (f) If Debtors agree that the Additional Adequate Assurance Request is acceptable, or Debtors and the Utility Company consensually resolve the Additional Adequate Assurance Request before the hearing, the amount in the Utility Blocked Account shall be reduced by the amount corresponding to the two week average ascribed by the Debtors to the services such entity provided to the Debtors prior to the Petition Date.

- (g) The Determination Hearing will be an evidentiary hearing at which the Court will determine whether the Utility Blocked Account and the additional adequate assurance of payment requested by the Utility Company should be modified pursuant to Bankruptcy Code section 366(c)(3)(A).

12. Absent further order of this Court, the Utility Companies, including any subsequently added Utility Companies, are prohibited from altering, refusing, or discontinuing service to or discriminating against the Debtors on account of unpaid prepetition invoices or due to the commencement of these cases, or requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than in accordance with the Additional Adequate Assurance Procedures contained herein.

13. Any Utility Company that does not serve an Additional Adequate Assurance Request by the Additional Adequate Assurance Request Deadline shall be deemed to have received adequate assurance of payment that is satisfactory to such Utility Company within the meaning of Bankruptcy Code section 366(c)(2), and shall further be deemed to have waived any right to seek additional

adequate assurance during the course of the Debtors' chapter 11 cases, except as provided in Bankruptcy Code section 366(c)(3).

14. The Debtors are authorized, in their sole discretion, to amend Exhibit A attached hereto to add or delete any entity, and this Order shall apply to any such entity that is subsequently added to Exhibit A hereto. For Utility Companies that are subsequently added to Exhibit A, the Debtors shall serve a copy of this Order on such Utility Company, along with an amended Exhibit A, and such subsequently added entities shall have twenty (20) days from service of this Order to make an Additional Adequate Assurance Request. For any entity that is removed from Exhibit A, the Debtors shall provide notice of such entity's removal and such entity shall have twenty (20) days from service of the notice to file an objection with the Court and serve such objection on counsel to the Debtors so as to be received by such date. If an objection is not properly filed and served, the entity will be deemed removed from Exhibit A and will not be treated as a Utility Company for purposes of this Order. In the event an objection is properly filed and

served, the Court shall schedule a hearing to consider entity's removal and objection thereto. Pending resolution of the objection, the entity shall continue to be treated as a Utility Company for purposes of this Order.

15. In the event that any Utility Company, including a subsequently added Utility Company, files and/or serves an Additional Adequate Assurance Request after the Additional Adequate Assurance Request Deadline, such request shall be treated as a request under Bankruptcy Code sections 366(b) or 366(c)(3), as applicable, and shall be granted, if at all, only after the Utility Company making such request schedules such request for hearing, on notice, in accordance with the provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure, including Bankruptcy Code sections 366(b) or 366(c)(3).

16. To the extent any entity that is not listed on Exhibit A believes it provides the Debtors with Utility Services within the meaning of Bankruptcy Code section 366, that entity must make a written request to be added to the list within 20 days of the date of this

Order and transmit such request to the Debtors and their counsel in accordance with paragraph 6 of this Order.

Failure to make a written request within the 20 day time period bars such entity from terminating the services it provides to the Debtors pursuant to section 366 of the Bankruptcy Code.

17. Notwithstanding anything to the contrary herein, the Debtors' rights to challenge any claim on any basis filed pursuant to 11 U.S.C. § 503(b)(9), including, without limitation, claims filed by Utility Companies or entities removed or deemed removed from Exhibit A, are preserved.

18. The Debtors are authorized, but not directed (i) to pay on a timely basis in accordance with their prepetition practices all undisputed invoices in respect of postpetition Utility Services rendered by the Utility Companies to the Debtors; (ii) to pay on a timely basis all undisputed invoices of the Third Party Vendor for pre-petition services rendered by it on behalf of the Debtors, and (iii) to maintain their pre-petition relationship and practices with respect to the Third Party Vendor.

19. The Court finds and determines that the requirements of Bankruptcy Rule 6003 are satisfied and that the relief requested is necessary to avoid immediate and irreparable harm.

20. Nothing in this Order or the Motion shall be deemed to constitute postpetition assumption or adoption of any agreement under Bankruptcy Code section 365.

21. The requirement under Local Bankruptcy Rule 9013-1(G) to file a memorandum of law in connection with the Motion is hereby waived.

22. This Court retains jurisdiction to hear and determine all matters arising from or related to the implementation or interpretation of this Order.

creditors, and other parties in interest; and it appearing that proper and adequate notice of the Motion under the circumstances has been given and that no other or further notice is necessary; and upon the record herein; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

ORDERED, ADJUDGED, AND DECREED that:

The Motion is GRANTED.

1. The Supplemental Order shall remain in full force and effect.
2. The Corrected Order is modified only to the extent expressly set forth herein.
3. Paragraph 3 of the Corrected Order is deleted in its entirety and replaced with the following:

The Debtors shall have reserved as part of their loan agreement with Bank of America, \$5,000,000(or such other amount as may be fixed by the Debtors in accordance with this Order), which shall be segregated in a separate account and administered in accordance with this Order (the "Utility Blocked Account"), as adequate assurance of payment, under Bankruptcy Code section 366(b), of charges incurred by the Debtors for Utility Services provided by the Utility Companies (other than the AAAR Utility Companies and the Excluded Utility Companies) after the Petition Date, subject to the Debtors' rights to decrease the amount reserved by the Utility Blocked Account in accordance

with this Order or to otherwise seek authority from the Court to decrease the amount reserved by the Utility Blocked Account. So long as the Utility Blocked Account is funded in an amount not less than \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order), the Debtors shall be deemed to have furnished all Utility Companies (other than the AAAR Utility Companies and the Excluded Utility Companies), including Utility Companies subsequently added to Exhibit A, with adequate assurance of payment under section 366(b) of the Bankruptcy Code. In the event that the Debtors are unable to establish the Utility Blocked Account in the amount of \$5,000,000 (or such other amount as may be fixed by the Debtors in accordance with this Order), the Debtors shall provide notice to the United States Trustee.

4. Paragraph 10 of the Corrected Order is deleted in its entirety and replaced with the following:

Any payments to the Utility Companies shall be without prejudice to any and all rights, claims and/or defenses of the Debtors with respect to such Payment Request, including but not limited to the Debtors' right to contest such Payment Request in this Court, or any court with jurisdiction. Any payments made from amounts in the Utility Blocked Account shall be made in the order that the Payment Requests were actually received by the Debtors. Following an advance from the Utility Blocked Account, Bank of America shall have no obligation to replenish the amount in the Utility Blocked Account.

5. For the avoidance of doubt, the Debtors are authorized, but not directed, to reduce the Utility Blocked Account by the amount corresponding to the two

week average attributable to any and all Utility Companies that provide Utility Services at the Debtors' retail stores, distribution, call and service centers, office locations, and other leased or owned property as and when such locations and property are closed or sold, as the case may be, and the Debtors (through their Third Party Vendor or otherwise) instruct such Utility Companies to terminate Utility Services, all without further order of this Court.

6. All AAAR Agreements and agreements with the Excluded Utility Companies are not affected by this Order.

7. The Debtors shall serve a copy of the Motion, the Corrected Order, and this Order within 5 business days of entry hereof on those parties entitled to notice under the Case Management Order and, by first class mail, on all Covered Utility Companies. Any party may object to the relief requested in the Motion within 15 days of entry of this Order. Any objection must be in writing, filed with this Court and served in accordance with the Case Management Order so as to be received by 4:00 p.m. (ET) on such date (the "Objection Deadline").

If no objection is filed and served in accordance with this Order, this Order shall immediately become final as of the Objection Deadline without any further act or order of this Court.
